Profile

I possess an active, diligent, and persevering work ethic, which enables me to excel both independently and collaboratively in a team-oriented environment. I am highly averse to procrastination and always strive to maintain efficient and timely completion of tasks. My excellent interpersonal skills facilitate ease in adapting to new situations and socializing with individuals from diverse backgrounds. My previous experiences have honed my self-confidence and work stamina under pressure, resulting in a strong track record of hard work and dedication to the task at hand. I prioritize integrity in all aspects of my personal and professional life.

Courses

Data Science Present

I learn how to manipulate data with Python and one of its libraries, Pandas

Web Development May 2023

I learn how to build a front-end CRUD website with React.js and Tailwind

Game Development Present

I learn how to develop video games with C# and game engine, Unity
